
The Budget Office provides top quality and timely financial information to promote the long-term fiscal integrity of the City of Maricopa.

The City Budget Office, as part of the City Manager's Office, is responsible for preparing and managing the City's annual budget and five year Capital Improvement Program. The Budget Office staff, with the input of other City staff, projects revenues, estimates expenditures, and continually monitors City budgets to ensure that the annual plan is followed and that budget estimates are accurate. The Budget Office also reviews alternatives and prepares recommendations on budget, management, and policy issues for the City Manager, City Council, and the various City departments.

[2009-2010 Budget approved](#) . After City of Maricopa staff tackled the enormous task of balancing the City's 2010 budget, the City Council unanimously adopted an \$82.8 million budget June 29, 2009, for fiscal year 2009-10, which begins July 1, through to June 30, 2010. {phocadownload view=file|id=46|text=Download 2009 Budget Book|target=s}.
